DESCRIPTIONS :

The netbook skus in the UL line are designed and constructed to gracefully accommodate a netbook's power source and/or travel mouse. The front pockets expand when filled to reveal a contrasting lining color through strategically placed slits in exterior fabric.
Innovative 3-way strap management system allows case to be carried over the shoulder, across the body messenger style, or shortened to hand strap length

• Exterior pocket has ample room for power cord & mouse. Two mesh pockets keeps your essentials organized
• Main compartment is large enough to fit files & documents along netbooks or small laptop
• Slip pocket on the back of the bag for magazine storage
• Horizontal orientation
• Internal dimension: 23.5 x 5.0 x 33.7cm
• Replacement for XNTM
